Service Type	Description
Water	Water service is provided by the regional water authority. Your property does not have individual water meters, so your share is allocated by the number of occupants and the square footage of your unit.
Sewer	Sewer service is provided by the regional water pollution control authority and is allocated with the same formula as water.
Trash	Trash and recycling removal for the community, charged as a flat monthly amount per unit.
Service Fee	Conservice is a service provider contracted by your property to prepare monthly statements and provide conservation resources. The fee is set in your lease's Utility and Services Addendum.
